HBHS Varsity softball will be hosting a two-day youth camp at Oiler Diamond on the Huntington Beach High School's campus. The camp will be divided into two age groups: 3rd to 5th graders in the morning and 6th to 8th graders in the afternoon. Due to limited space for both sessions, please register today!

Our current players and some of our collegiate alumni will teach you batting, fielding, and base running skills. This is a great opportunity to learn new softball skills and meet new friends.
