I am writing to you on behalf of Huntington Beach High School Softball to request financial support for our high school Athletic Academic and Character Scholarship Fund. Our program is committed to fostering both academic excellence and athletic achievement among our students.

Our character recognition award was started in 2010 and we combined the two awards into a scholarship program in 2022. We believe that participation in sports can have a profound impact on students' overall development, teaching them valuable life skills such as teamwork, discipline, and perseverance.

Any funds raised will be 100% used to provide scholarships to deserving student-athletes, helping them pursue their academic and athletic goals. By investing in these students, we are not only supporting their individual aspirations but also contributing to the overall success of our school's athletic program.

We are reaching out to you because we believe in the importance of community support in achieving our goals. Your contribution, no matter the size, will make a meaningful difference in the lives of our student-athletes.

If you donate more than \$500, we will create a sponsor banner which will hang on our field and we will also advertise within our IOS app and our website indicating your support to this unique program at HBHS. In 2026, we would have your donation highlighted in our streaming platform between innings via our Youtube channel and our Oiler Diamond app as a running commercial during our live stream events.

If you would like more information about our scholarship fund or how your donation will be used, please do not hesitate to contact me at 714-791-1436 or jforsberg@hbuhsd.edu. HBHS Softball is a 501(c) organization and all your donations are tax-deductible. Again all donations will be passed onto our student athletes in its entirety.

Thank you for considering our request. We hope that you will join us in supporting the next generation of student-athletes.

Sincerely,

Jeff Forsberg, Varsity Head Coach
