

"1st Pitch Challenge Classic"

2024 Early Season Showcase for High School Teams hosted by Huntington Beach High School Softball and Pacifica High School Softball!

Feb 10th & Feb 17th, 2024

4 Game Guarantee over two weekends!

\$500 for both weekends!

Location: Huntington Beach HS and Pacifica HS

- Two groups of teams. One group would play at HBHS while the other group is over at Pacifica. Then the following weekend, the groups would flip locations. You would get in a total of 4 games at two of the premier softball sites in Orange County.
- We will be flexible with opponents and game-times and opponents will be matched accordingly. Both facilities have lights so some of the games will be in the pm.
- We are giving consideration to top teams in the CIF HS softball to make this a premier early season event.
- We are looking to add a total of 10 highly competitive teams to play in this inaugural event at two of our premier high school facilities in Orange County. Both hosts (Pacifica is our defending D1 Champion and HBHS was a quarterfinalist in D1 in 2023) would like to see if we can make this a yearly early season event.

Email or text HBHS to be considered or for more info.
